HISTORICAL COPY

RETURN TO FOLDER

To Criminal Justice Agencies in Missouri:

Enclosed are copies of the 1998 edition of the Missouri Charge Code Manual prepared by the Missouri State Highway Patrol Criminal Records and Identification Division in cooperation with the Office of State Courts Administrator. It is provided to all criminal justice agencies "and shall be used by all criminal justice agencies for reporting information required by sections 43.500 to 43.530" (43.512 RSMo.).

Just as a reminder, the offenses are designated by an "R" in the "REPORT CODE" column in Section I, "Charges Sorted by Missouri Charge Code," and Section II, "Charges Sorted by Missouri Statute Number." All reportable offenses must be fingerprinted, and all others may be fingerprinted. The preprinted Offense Cycle Number (OCN) from the state criminal fingerprint card must be forwarded to the next criminal justice agency in the reporting sequence and to the Central Repository in order to establish a complete criminal history.

Please read and follow the "Instructions for Use" at the beginning of the manual. When positions 6 and 7 of the charge code are blank, please make an extra effort to find the correct modifier at the end of the section to complete these positions. By doing so, the charge code can be used to classify sex offenses, weapon charges, assault charges and all crimes reported.

Begin using the manual upon receipt, and discard or discontinue use of previously issued manuals. Additional copies may be obtained by contacting the Criminal Records and Identification Division at 573-526-6153, or you may copy the manual yourself. Proper use of this manual is crucial for a meaningful criminal history record system.

Sincerely,

WELDON L. WILHOIT
Superintendent

MISSOURI CHARGE CODE MANUAL INSTRUCTIONS FOR USE

The Missouri Charge Code Manual is divided into two sections.

Section I lists criminal charges by charge code number. The charge codes are in ascending order in the third column. All charges with a report code of "R" are mandated reportable to the Central Repository by submitting state and federal criminal fingerprint cards (43.506 RSMo). Other charges, not mandated reportable, may be reported to the Central Repository in the same manner.

Section II lists criminal charges by statute number. The statute numbers are in ascending order in the first column. United States Code violations are listed in ascending order at the end of the statute violations. All charges designated by "R" in the "Report Code" column are mandated reportable to the Central Repository by submitting state and federal criminal fingerprint cards (43.506 RSMo). Other charges, not mandated reportable, may be reported to the Central Repository in the same manner.

Section 1

Directions for use are as follows:

- Turn to the Major Category Index on Page IV and locate the major category containing the charge sought.
- Turn to the page indicated in the index for the major category selected.
- Scan the "DESCRIPTION" column to locate the charge sought.
- Use the charge code found in the "MO CODE" column to report the charge.
 - If positions six and seven of the charge code are blank, locate the appropriate two digit modifier from the end of the major category you are in to fill these two positions and positions three and four of the NCIC code.
 - The eighth digit of the charge code is blank and should be filled in with the appropriate number.

.0 Not Applicable .1 Attempt .2 Accessory .3 Conspiracy

 Indicates "Not Applicable" as it was not an attempt, accessory, or conspiracy from Page II - Mo Charge Code Manual Instructions.

NCIC Classification from 4th column of charge on Page 17.
 3532
