What Is A Driver Examiner Professional?

Driver examination professionals are responsible for conducting a variety of driver license examinations to determine the eligibility of individual applicants for licensure. The examiner interacts with the public on a daily basis throughout all facets of the driver examination process. They embody the Missouri State Highway Patrol core values of *integrity, responsibility, respect, professionalism, compassion, resourcefulness, character, and commitment.*

Highway Patrol Driver Examiners:

- Trained to a high level in laws, federal regulations, and procedures to assist the public.
- Operate vision and testing equipment.
- Trained in fraud detection.
- Administer written, vision, and road skills examinations for all classes of driver licenses.
- Ensure Missouri licensed drivers have a level of competency consistent with safe driving habits and practices, as well as demonstrated skills and knowledge of Missouri laws related to traffic safety.
- Administer the written and skills examinations to obtain a motorcycle instruction permit or motorcycle license.
- Answer inquiries regarding the license application procedure, the CDL program, Missouri licensing regulation, etc.
- Encourage and inform applicants concerning examination study or reason for examination failure.

Highway Patrol Commercial Driver Examiners and Auditors:

- Trained to a high level in laws, federal regulations, and procedures to assist the public
- Selects types of commercial driver license examinations by verifying classification and endorsements needed for the vehicle to be driven and cargo to be hauled.
- Administers the CDL skills tests. CDL skills examinations require the examiner to ride in all types of vehicles including, but not limited to, tractor-trailers, large trucks, buses, vans, cars, etc.
- Encourage and inform applicants regarding the CDL examination results or reason for examination failure.
- Provide training to third-party CDL examiners.
